Raillex a.s

Railway transportation

1. Company Overview

Founded

February 2004

Headquarters

Jilská 527/2, 110 00 Staré Město,
Praha 1, Czech Republic

Number of employees

180 people

Industry

Transportation, Warehousing,
Quality control, Manpower
and Forwarding

2. Core Value

Stability

Constantly maintaining stability with our infrastructure and enthusiasm in an unstable environment of Logistics

Flexibility

Thinking flexibility to fully respond to dramatically changing environments and logistics issues

Possibility

Possibility of creating and discovering infinite possibilities based on our outstanding worker and infrastructure

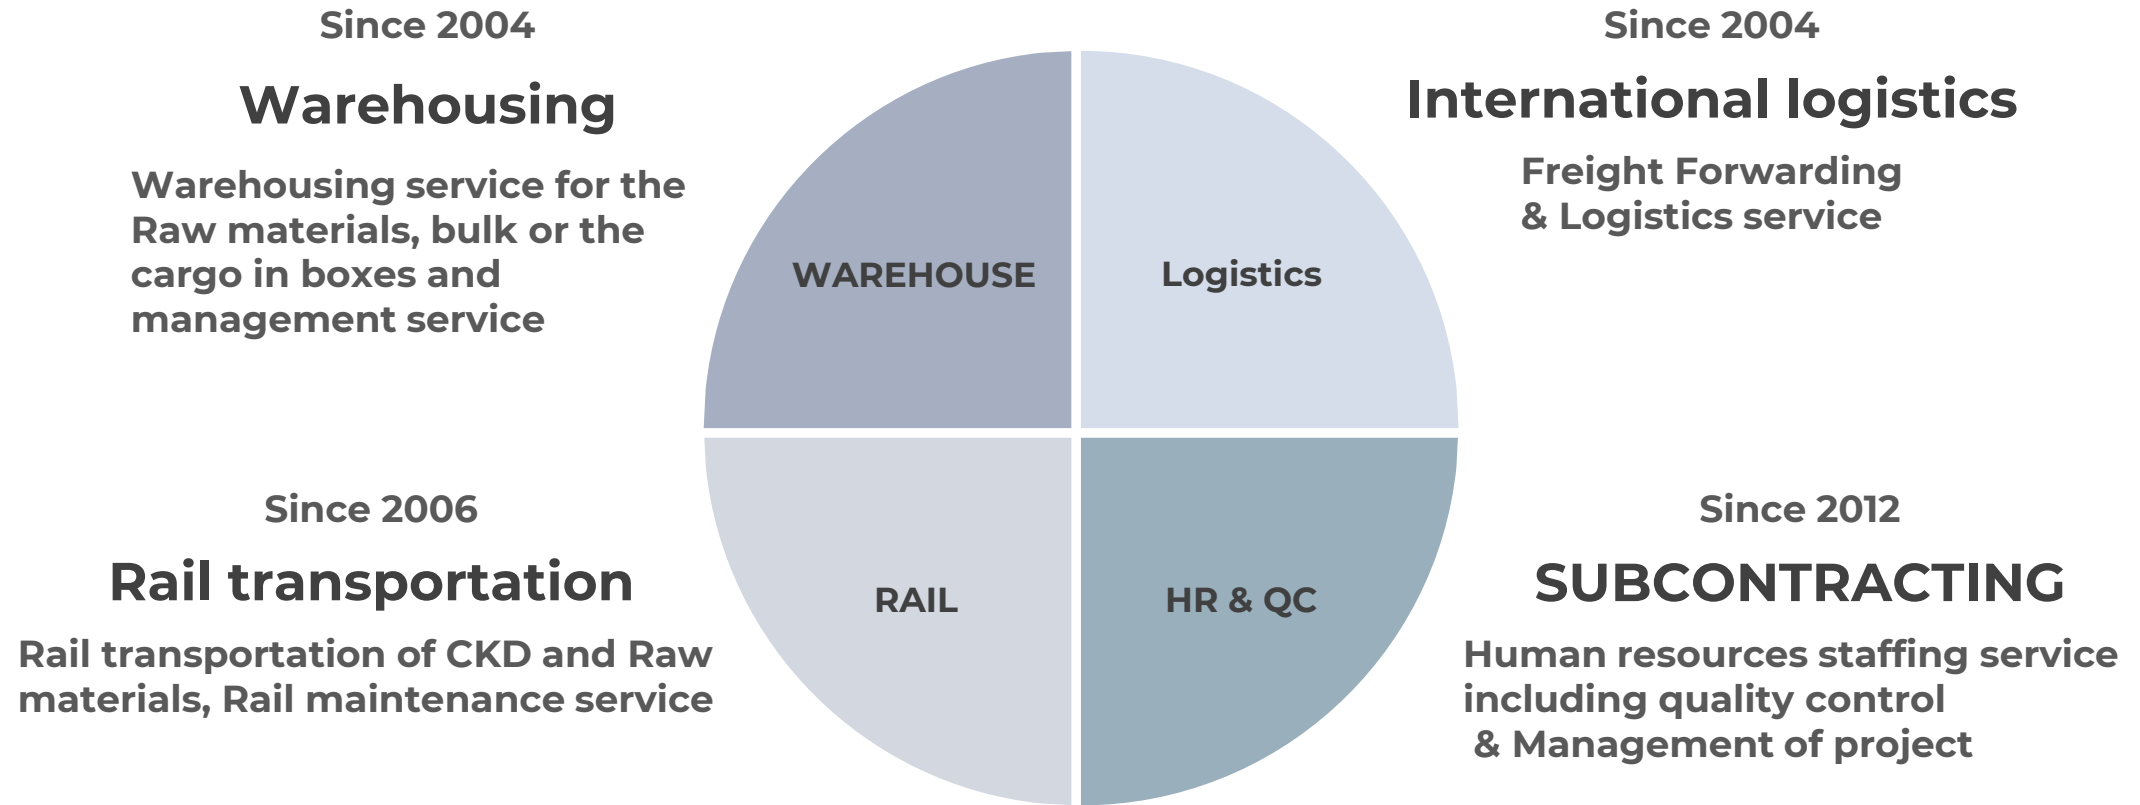

Responsibility

Responsibility to do everything in a challenging logistics business environment

3. Summary

Our aiming goal is to provide the best logistics service and solutions to contribute to the success of our customers.

4. Road transportation

- 📍 70 own trucks
- 📍 Semitrailers, Delivery Vans, Pick Ups
- 📍 Cooperating with more than 100 forwarding companies
- 📍 Mini & Midi bus transportation
- 📍 JIT & Door to Door delivery
- 📍 Oversized & Heavy Cargo
- 📍 NON-STOP Dispatching center
- 📍 Track & Trace system, GPS installed

As we have our own trucks, CHB Logistics is able to react to the emergency delivery as the customer's wishes.

CHB Logistics owns the trucks and trailers, which make delivery of Heavy cargo and raw materials such as coils possible. Our trucks are delivering all around the Europe more than 40,000 rounds yearly

5. Rail transportation

- 📍 **Subsidiary company of ČD Cargo (Czech National Railway administration)**
- 📍 **Owns Covered Wagons for Coil deliveries**
- 📍 **Owns Flat Wagons for container deliveries**
- 📍 **Owns other wagons for delivering bulk cargo**
- 📍 **Single wagon & Block train transportation**
- 📍 **Rail shunting service provider**
- 📍 **Complex Rail transportation solution provider**
- 📍 **Railway track maintenance**
- 📍 **Track & Trace system**

Raillex is the subsidiary company of Czech national railway ČD Cargo and keeps close cooperation relationship. This relationship makes possible for Raillex to provide Complex rail transportation solutions including the railway track maintenance.

In case of Heavy rain or snow that causes a problem to Road transportation, Raillex is ready to support by rail delivery to prevent the shipment delays.

6. Warehousing

- 📍 Warehouses by each about 10,000 m2
- 📍 Bonded WH
- 📍 Maintain product quality by warehouse
- 📍 Safety management & Facility management
- 📍 Cargo safety control by FIFO & Security Control
- 📍 The rail track is connected to the inside of the warehouse

CHB has its own logistics base through short and long-term storage capacity by optimal utilization of our road and rail transportation and making the most of our business connections.

For loading and unloading in the warehouse, we are providing a crane for handling the cargo over 20 tons and forklifts for the cargo handling.

7. Project Transportation

📍 Container service

- Inland haulage, CFS manipulation
- Shoring & Lashing, Handling DG Cargo
- Contract Carrier : HMM, CMA, MSC, Maersk etc

📍 Air Freight service

- Packing & Warehousing for Air shippers
- Full Air chartering
- Handling DG cargoes Exhibition Goods and ETC
- Contract Carrier : KE, OZ, EY, LH, SG, DHL etc

8. Manpower supply

- 📍 Long-term experience in automotive
- 📍 Production, Quality, Logistics ! Fits for all
- 📍 Stabilized manpower supply
- 📍 Complete manpower management service
- 📍 Finding/Recruiting/Training and development

CHB provides customized service for client. We always have designated project manager when we have business with new client. We study client's needs for client's efficiency. We bring clients tailor-made solutions and look for the most suitable people on the labor market. We help all our clients to succeed in the current but also in the future human resource.
